From the bestselling author of the multi-award-winning picture book *Have You Ever Wondered What You Will Be?*, Junia Wonders, comes a beautifully written commemorative picture book, *Let's Celebrate You! A Graduation Keepsake for Little Graduates*.

A perfect gift for preschool and kindergarten graduates, this precious rhyming story celebrates one of the most special milestones in a child's life: graduation. A heartwarming and jaunty text and cheerful illustrations applaud the many things a young child should be proud of with this accomplishment. From learning values such as being kind, sharing, and taking turns to life skills such as making friends, learning from mistakes, and teamwork, the story affirms that a year of hard work and dedication is a time to be honored.

The back of the book contains extra pages for special ways to commemorate the occasion including graduation wishes from friends, classmates, teachers, and family; an area to share dreams and aspirations; and blank spaces to save photographs for years to come. The book is a wonderful gift and can also be used as a celebratory classroom activity for classmates to fill in together.
